

Metazone Liquid

Suitable for all horses in need of extra relief, this effective nutraceutical has been formulated to be competition safe and can be fed every day, or as needed, to support your horse's natural anti-inflammatory response.

Feeding Instructions

Add to feed daily, to support the horse's own anti-inflammatory processes.

Horses	ml per day
Peak Rate	60 – 90
Maintenance	30

Ponies (<400kg)

Peak Rate	45 – 60
Maintenance	15 – 30

Shake Well Before Use. Peak Rate can be used for 4-5 days when increased need is recognized, i.e. when signs dictate, travel, peak competition, or when advised by your veterinary surgeon.

A 1L bottle fed at 30ml per day will last approximately 33 days.
